FROM:

[redacted]
Associate Deputy Director for Operations
for Counterintelligence

STAT

SUBJECT:

Request for Updates for the 1988 National
Assessment of the Hostile Intelligence
Threat and US Countermeasures [redacted]

STAT

1. The Analysis Group of the Counterintelligence Center will coordinate the Agency's contributions to the annual threat assessment. This threat assessment is mandated on a yearly basis by the National Security Council. The Intelligence Community Staff is the focal point for the community in finalizing this report. As in previous years, the CIA contributions will be collated by the Counterintelligence Center (previously the CI Staff) from the written submissions made by all of you. [redacted]

2. Your contributions are requested by Monday, 15 August to this office in order to meet the IC staff deadline of 16 September. I have designated [redacted] as my point of contact for this assessment. Please designate your action officer to [redacted] as soon as possible. [redacted]

3. Attached are the terms of reference (TOR) for this year's assessment (Attachment A). The yellow highlights on the TOR indicate the areas which require input from your office. For your convenience, we have also included the relevant sections of the 1987 assessment (Attachments B and C). Please use last year's assessment as a reference on substantive matters. Feel free to make any additional suggestions or comments on any portion of this assessment which you think may require amplification. [redacted]
